

John Steinbeck Connection Primary Schools Competition

Dear School and pupils,

Thank you for entering the Steinbeck Connection Primary Schools Competition. We were amazed by the creativity and imagination of all the entries submitted. Your students did a wonderful job designing the book covers and the exhibition looked fantastic.

As a thank you for your engagement in the competition we have sent your pupils each a Steinbeck Festival bookmark as a way to commemorate their participation.

We hope to work with you on future projects and thank you again for your enthusiasm and engagement in the competition.

From all of us at,
